Health and Safety Committee
Common Council
23 N. 2nd Street
Tomahawk, WI 54487

Dear Committee Members,

Tomahawk Main Street (TMS) has submitted, and both the Committee and Council have already approved, an application for Oktoberfest to be held on Saturday, October 11 on N. 3rd Street. We are requesting an amendment to our original application dated March 5, 2025.

As both the Committee and Council know, it was requested that TMS move this event to N. 3rd Street instead of N. 2nd Street where it was held last year. The N. 2nd Street width is larger than that of N. 3rd Street, and so this year, we had to go with a narrower but longer tent to fit the street. The company that is installing and removing the tent, as well as patching the holes in the pavement, is requesting they be able to take the tent down Sunday morning instead of Saturday evening in the dark. Since we had to go with the narrower and longer tent, there are more guidewires, and Everest Party Rental's removal and patching will take an extended amount of time; they will have the tent removed and the street patched no later than 12:00 noon on Sunday if the extension is approved.

Please let me know if you have any questions. Thank you in advance for your consideration.

Dear Committee Members,

Tomahawk Main Street (TMS) has submitted, and both the Committee and Council have already approved, an application for our portion of Fall Ride to be held September 11 through September 14. We are requesting an amendment to our original application dated March 25, 2025.

We are also requesting a fourth picnic license and would like to have a beer stand on Railway Street.
