20 **Other Business: 2026 Proposed Airport Budget**  
21

22 DREGER stated that they have been working on cost savings at the Airport for utilities. He stated that  
23 Frontier is currently paying for four phone lines including a “phantom line” that he is not sure what it  
24 was ever used for. He speculated that it was possibly a fax machine. He stated that he contacted The  
25 Data People and they will be meeting him out there to look at their communications and find a solution  
26 that will equal quite a bit of cost savings.  
27

28 DREGER stated that AT&T is internet only for the fuel card reader. Haskin asked what happens if there is  
29 an electrical outage. DREGER stated that the fuel pumps would not work either so it would not be an  
30 issue.  
31

32 The Commission continued to discuss potential savings.  
33

34 CLARK MOVED to recommend the proposed 2026 budget and WHITE seconded. The VOTE was  
35 unanimous.
