Music on the River

Wednesdays, June 17 through July 29, 2026 (7 Weeks)

EVENT INFORMATION

A free concert series on Wednesdays starting on July 17 and ending on July 29. The set up for the event starts at 3:30p.m. and the music ends at 8:00 p.m. The nightly estimated attendance is 350-900. There are no food or alcohol sales at the events. “Historically, we have had groups give away food – popcorn, WJJQ Community Supper, ice cream, etc.”

1. SITE LAYOUT

- The event takes place at Veteran’s Memorial Park.
 - In 2018 rocks were placed to keep vehicles off of the grass.
 - (6) Barricades are delivered to help keep vehicles off the grass near the Riverwalk Trail and Utility Buildings

2. RESERVATIONS

- Reservations are required for this event, there is no cost to the organizers for pavilion rental.
 - Music on the River founded/built the pavilion in 2011. The city provided demolition of the existing pavilion. It was agreed that use of the Veteran’s Memorial Park for events sponsored by Music on the River would be free of charge.

3. GARAGE COLLECTIONS

- 12 Refuse (garbage) Cans
- 0 Recycling Cans

4. RESTROOMS

- **Noted on application regarding Port-a-Potties:** “The City has been great about providing 4 port-a-potties in total for each event and last year went very well”
- **2024 Permit:** Four port-a-potties are provided for the event. The event organizers are requesting that the pickup/drop off fee be waived as the port-a-potties were left at Veterans Memorial Park in the prior year. They would pay the pumping fees (\$_____/per unit) unless the units need to be moved for City use then the organizers will pay the pickup/drop off fee for that week.
 - In the past, the cost to pump each port-a-potty has been \$75. If the cost has increased, the event sponsor will be responsible for paying the actual cost of pumping.

5. PARKING

- **No Parking on the Grass:** The water and sewer lines that supply the northern half of the city run through Veteran’s Memorial Park. The City stresses the importance of keeping the vehicles off the grass to avoid damage to these utilities.
- Parking is provided off-street.
- A “Do Not Park” area is kept clear for emergency vehicles.
- A drop-off area is provided for attendees when needed.
- Police Department request that the “No Parking” signs be placed by the event organizers.

- Police Department request that parking be banned on the curve by the nursing home to avoid congestion and aid in access for emergency vehicles, if needed.

6. EMERGENCY PLAN

- A first aid kit is kept on premises to be used if needed.
- Weather is monitored by the Board of Directors. If bad weather is predicted a decision is made by 3:00 p.m. to move the event to SARA Park.
- Arrangements need to be made by Music on the River with WauWui for the use of SARA Park.

7. OTHER COMMENTS/RECOMMENDATION FROM DEPARTMENTS

City of Tomahawk
Health and Safety
Common Council
23 N. 2nd Street
Tomahawk, WI 54487

Dear Committee Members,

Tomahawk Main Street is requesting the usage of the parking lot of the police garage building for the Fall Ride event (set up the evening of Wednesday, September 16 through teardown before noon on Sunday, September 20). We understand the Harley inflatable will also be in that space.

Lang Equipment was in the space last year, and they would like to once again set up their Indian motorcycles on the N. 4th Street side of the lot. We also have Tim's Stereo Systems and Baddie Built out of Burlington, Wisconsin, that we would like to have set up there on the Somo Avenue side of the lot. They specialize in Harley touring audio systems, rider-focused installs, and curated accessories.

Please let me know if you have any questions. Thank you in advance for your consideration.

Jennifer Turkiewicz
Tomahawk Main Street Executive Director

May 2026 Monthly Report

To: Mayor Habeck, Tomahawk Health and Safety Committee, Tomahawk Common Council Members and Tomahawk Police and Fire Commissioners

The Tomahawk Police Department responded to 135 complaints/calls for service and conducted 33 traffic stops during the period of May 1, 2026, through May 20, 2026. Several cases were referred to the District Attorney's Office for criminal charges. Officers were assigned a variety of cases to investigate.

The most frequent calls for services for the month of May were:

- Suspicious Activity (12)
- Citizen Assist (8)
- 911 Hang up Nuisance call (8)
- Driving Complaint (7)
- All Other Offenses (6)
- Welfare Check (5)
- Animal Complaint (4)
- Property Damage Complaint (4)
- Lost or Found Item (4)
- Parking Complaint (4)

We handled 135 calls for service in May 2026. The numbers provided are not inclusive of all of May. In May 2025 we handled 235 calls for service. In 2025 we responded to 2326 calls for service. There was a 4.5% increase in calls from 2024 to 2025. In 2026 we handled 873 calls.

Police Week 2026 was held, and it is a national event to honor the sacrifices of law enforcement officers. The Perry Family brought a cake to the Police Department in honor of a relative that died in the line of duty. Trigs-Tomahawk also brought a cake in. We thank you for allowing us to serve a community that respects law enforcement.

The Tomahawk Police Department received a grant from the Wisconsin Division of Care and Treatment for 2 cases of Narcan (Naloxone). We require all employees to attend a training session on the drug. We have saved several lives by having this item in the past. The value of this grant is \$1080. North Central Healthcare also provided us with 2 cases of Narcan. The value of this donation is the same as the grant of \$1080. This was provided to the department at no cost. This makes the total amount of grants obtained by TPD in 2026 at \$2460.

The Tomahawk Police Department stopped 33 vehicles, provided 24 warnings and issued 22 citations for the month of May.

Detective White and Sgt Gorell attended a training course in Merrill in Intermediate Emergency Operations Center Functions. This is part of FEMA and Wisconsin

Emergency Management training sessions. The training was provided at no cost. They received 24 hours of continuing educational credits for attending.

Officer Frostman completed the Crisis Intervention Team Training course from May 18-May 22. This training was held in Wausau. Officer Frostman obtained 40 hours of training on how to deal with mental health and people in crisis. This training keeps us in compliance with the one-mind campaign of the IACP. This training was provided at no cost and is sponsored by NAMI-Wisconsin.

We have applied to NAMI-Wisconsin for a reimbursement grant to pay for the overtime that is caused by this training. The grant covers backfill and/or overtime costs up to \$1000 as well as up to \$500 in travel costs. It may be up to 90 days before it is determined if we will receive the funding.

We have applied for a grant through the Wisconsin Public Service to assist us in replacing the A.E.D.'s in the squads. We continue to look for grants to fund these products.

I advised the parks and recreation committee that the proposed wake ordinance was unenforceable by the Police Department. We do not have a marine unit or the ability to enforce violations on the water. There are several communities that are facing litigation with this type of ordinance.

We purchased a less lethal pepper spray and rubber/nylon projectile weapon. This is a valuable tool that will be utilized to keep officers safe. This will allow us an alternative to deadly force when possible. The cost of this system is \$1479.85. The money for this came from the Police Drug Seizure Fund at no cost to the taxpayers. The weapon should arrive by early June.

K-9 Pipo had eye surgery in early May. He is back at work after a two-week recovery. He is glad to have the cone removed and is back to his normal self.

The fuel budget for the Police Department has been reduced from the requested \$26,000 to \$19,000. When I requested an increase, the cost of fuel was \$2.89 a gallon. The finance committee was informed at that point that this number would be extremely difficult to maintain. Gas is currently \$4.42 a gallon. We will be taking more calls via teleservice instead of responding. The calls for teleservice would be based on reports that are just for file purposes. Any in-progress call will be dispatched and an Officer will respond.

Training and Appearances scheduled for this month included

- Officer Krich and K-9 Pipo train on a weekly basis.
- All sworn officers attended the Wisconsin required Biennial Pursuit training on May 13th.
- All Officers will complete the Wisconsin Law Enforcement Annual Firearms training course by the end of the month.

- Detective White will be attending a tabletop exercise on Dam failure on May 27

Chief Elvins, Sgt. Gorell or a representative of TPD, attended the following meetings or events as the department's representative:

- City Council
- Finance
- Health and Safety
- Main Street
- School Board (SRO Susa)

Respectfully Submitted,

Al Elvins III
Chief of Police
