NOTICE: No Building or Land Use Permit will be issued until water and sewer lateral fees have been paid to the City of Tomahawk. Those areas not served by City water and sewer must obtain a sanitary permit from Lincoln County.

If building a new structure or enlarging an existing structure (any change in building footprint) please see reverse side and include a plot drawing with permit application.

# CITY OF TOMAHAWK

## Building Permit Page 2

**No construction can be started until a permit has been issued.**

A detailed drawing of the plot plan must be given for outbuildings, and additions. Including on the drawing all information requested below which applies to the property.

1. Shape of parcel, include lot line dimensions.
2. Indicate north by arrow.
3. Show location and names of abutting roads/highways.
4. Show locations of the new construction on the parcel. Include the following distances:
  - a. distance to street/road right of way
  - b. distance to all lot lines
  - c. distance to any water bodies (if applicable)
5. Indicate all existing buildings on parcel with "EB".
6. Indicate distances to well, septic tank, and drainfield. (if applicable)
